16-19 Bursary Fund Policy (Academies)

INTRODUCTION

Orchard Hill College and Academy Trust (OHC&AT) is committed to providing outstanding educational opportunities for all our pupils and students. As a family of providers working for mutual benefit, we believe that together we can offer the very best for our pupils and students and for their local communities.

This policy sets out arrangements for how Orchard Hill College Academy Trust (OHCAT) will operate the 16-19 Bursary Fund across its academies for the academic year 2020-21. This policy is based on the Education and Skills Funding Agency's (ESFA) guidance for the 16 to 19 bursary fund 2020 to 2021 academic year.

WHAT IS THE 16-19 BURSARY FUND?

The 16-19 Bursary Fund is a scheme set up by the Department for Education (DfE) and funded by the ESFA. The Fund provides financial support to eligible students to help overcome their specific financial barriers to participation so they can remain in education and training.

WHO IS ELIGIBLE TO APPLY?

There are two types of bursary: a discretionary bursary and a vulnerable bursary. To be eligible for the **discretionary bursary**, a student must:

- Be enrolled at an OHCAT academy starting in September 2020.
- Have 'home' student status or have been granted full 'refugee' or 'asylum seeker' status.
- Have been 'ordinary resident' in the UK, EU or EEA continuously for the last three years with 'settled status' which means having indefinite leave to remain
- Have a household income of £28,000 or less per year.
- Be aged 16 or over but under 19 at 31 August 2020 **or**
- Be aged 19 or over with an Education Health and Care Plan (EHCP) **or**
- Be aged 19 or over and continuing on a study programme which began when aged 16-18.

To be eligible for the **vulnerable bursary**, students must meet the above criteria and fall into one of the following categories:

- Young people who are looked after (in care)
- Young people leaving care
- Young people in receipt of Income Support or Universal Credit in place of Income Support, in their own name

- Young people in receipt of Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right.

HOW IS THE 16-19 BURSARY FUND ALLOCATED?

Discretionary Bursary

Discretionary Bursaries are awards made to students by the academy to help young people overcome the individual financial barriers to participating in education, for example help with:

- travel
- educational visits
- books and equipment
- clothing
- specialist equipment
- other circumstances that prevent participation

Funding for the Discretionary Bursary is received directly by the academy from the ESFA. The allocation process for these funds is as follows:

- Students that apply will be assessed individually against the criteria and will be awarded a bursary fund based on their actual financial need
- Any unspent discretionary funding from the previous academic year will be prioritised for students based on their actual financial need in the current academic year
- Some funding will be held back for a contingency for students whose personal circumstances may change
- 5% of the discretionary fund will be held back to cover administrative costs

Vulnerable Bursary

The Vulnerable Bursary Fund is designed to help support young people who face the greatest financial barriers to participate in education or training.

The academy has to apply for the Vulnerable Bursary via a Funding Claim form to the Student Bursary Support Service ([SBSS](#)) once eligible young people are identified. The Student Bursary Support Service, part of the ESFA, will then issue funds directly to the academy.

Applications must be supported by appropriate evidence, such as:

- A letter from the DWP setting out the benefit the young person is entitled, confirming that the terms of their benefit entitlement allow them to participate in further education or training
- Written confirmation of the young person's current or previous looked-after status from the Local Authority which looks after them or provides their leaving care services.

Eligible students can apply for a vulnerable bursary of **up to** £1,200.

HOW TO APPLY

The Application Form for the 16-19 Bursary Fund Policy is at Appendix A.

Evidence of eligibility is required and should be included with the completed application form. Funding is not guaranteed by the acceptance of an application form. The academy will notify students/families in writing of the outcome of their application.

Conditions for Receipt of Student Bursaries

Receipt of both vulnerable student bursaries and discretionary bursaries is conditional on the student meeting attendance standards as defined by the academy.

Assessment and Approval of Applications

Each application with supporting documentation will be assessed in strictest confidence using the checklist at Appendix B and approval form at Appendix C.

Discretionary fund payments will be subject to review and approval by a representative of the academy Senior Leadership Team.

High Value Equipment

We may be able to help with the cost of high value equipment such as laptops, cameras and tablets where students require them to successfully complete their course. This will be dependent on the budget available. The equipment will remain the property of OHC&AT and should be returned once the course has been completed so it can be used by another student. To ensure this happens, all equipment will be kept at the academy unless specifically agreed otherwise. See Appendix D School Equipment for Student Use.

In special circumstances and at the discretion of the academy Senior Leadership Team, some students may be allowed to retain their equipment at the end of the course, where a particular need has been identified.

PAYMENT

Please note that the academy can choose to pay Bursary awards 'in kind' e.g. by purchasing equipment required or may make payments directly into the student's bank account by BACs. The level of support which the academy can offer under the Discretionary Bursary is dependent on the funding received from the ESFA and the number of applications received.

Please note: Students will need to have a current bank account. If the payment is to be made payable to someone other than the student, proof of Power of Attorney must be provided.

RECORDING AND REPORTING

Secure records will be kept of all bursary awards, receipts and payments for a period of six years.

An annual report on the number of bursary awards made and the total value will be produced by the academy.

APPEALS

If a young person or their parent/carer are not satisfied with the outcome of their application, they should appeal in writing to the Principal of the academy within 10 working days, stating the reasons why. The Principal of the academy will review the application within 15 working days of receiving the appeal.

The decision of the academy Principal is final and will be given in writing within 10 working days of their decision.
